REMARKS

Prior to the filing of this paper, Claims 1-78 were pending for consideration in this application. In response to the *Restriction Requirement* mailed July 5, 2006, Applicant elects the group of claims identified by the Examiner as Invention I, which includes Claims 1-60. Applicant also elects the species identified by the Examiner as Species 18, which is illustrated by Figure 19. Applicant notes that Claims 1-3, 6-7, 10-34, 39-51, and 56-60 read upon the elected species. Claims 4-5, 8-9, 35-38, 52-55, and 61-78 have been withdrawn. Claims 33, 50, and 60 have been amended. No new matter has been added with these amendments. Applicant notes that claims currently pending are generic to other species, as defined by the Examiner, such as the species identified by the Examiner as Species 16, 17 and 19. Applicant does not concede that the claims are limited to the embodiments illustrated in connection with Figure 19.

Please charge any additional fees, including any fees for additional extension of time, or credit overpayment to Deposit Account No. 11-1410.

Respectfully submitted,

KNOBBE, MARTENS, OLSON & BEAR, LLP
